WOM presents the **SONOS** early **Black Friday** Offer!
Order any Sonos system, speaker, or component before Friday,
November 27th, 2015, and we will deliver and install it for **FREE!**
And if that's not enough incentive to make your dream system
a reality, the offer comes with a **price match guarantee!**

WOM sells and installs the Sonos smart system of HiFi wireless speakers and audio components.

Sonos unites your digital music collection in one app that you control from any device.

Access your personal music library, favorite streaming music services, and over 100,000 internet radio stations from around the world. The Sonos app lets you find, play, control and explore

your music, your way.
